

KTX Bronze

The woodscrew for all your outdoor needs

KTX Bronze professional woodscrews have a life twice as long as similar screws and are C4 rated guaranteeing at least 15 years in timber.

The screw is precision manufactured from hardened steel and has a finish which blends in well with all timber.

Available in boxes, tubs and cartons the screws are ideal for fencing, decking, sheds, gazebos, wood cladding and a variety of external applications into wood.

Qualities of KTX Bronze:

- 2000+ hours salt spray tested, C4 rated
- Suitable for Pozi, square, philips and KTX drive bits
- Super **TIGHT HOLD®** with KTX, square and some pozi bits meaning no wobbling or slippage
- FREE 50mm KTX bit(s) in every box and tub
- Manufactured from hardened steel and wax coated
- NO PILOT HOLE OR PRE DRILLING REQUIRED
- Double countersunk head with ribs and tips for a smooth surface finish
- Sharp start point with precision cutting flute
- Bronze finish is ideal for all timber
- Deep recessed head, perfect for impact drivers, and requires less than 50% of the energy of other screws to fit
